

Books for Keeps

RECYCLE Your Books

Dear Parents of Center School Students:

May 2022

Reading plays a critical role in the education of children, and providing summer access to books is the first step in making sure every child has the chance to continue reading when school ends in June.

This year, the Center School Library would like to continue our "Books for Keeps" donation program by collecting gently used, age-appropriate (K-3), children's books from parents, grandparents, guardians, and friends who no longer use them. This is our 5th year of the program and each year we've received enough books to send all Center School students home in June with a few books to read and keep.

We hope you will consider donating any children's books you no longer need. Donations can be left at the school's front office or brought up to the library at any time of year. Please feel free to email (colleenjohns@oldrochester.org) or call (508-758-2521) with any questions. Thank you very much for your help.

Mrs. Colleen Johns and Mrs. Erin Barrows
